

## SAVE RANI BAGH BOTANICAL GARDEN FOUNDATION

Reg. No. E – 29101 (Mum)

(Formerly Save Rani Bagh Botanical Garden Action Committee)

### **Come, explore your very own heritage Botanical Garden Rani Bagh Tree-cum-Heritage Walk**

Conducted by the Save Rani Bagh Botanical Garden Foundation

The Save Rani Bagh Botanical Garden Foundation conducts free tree-cum-heritage walks in English, Hindi and Marathi for interested groups on a mutually convenient date and time. The walk (duration 1.5 to 2 hours), covers the history of the botanical garden, the unique architectural style of the monuments, the classical garden layout design, and of course, its tremendous botanical wealth and the rich biodiversity it nurtures. Participants can pay the V.J.B. Botanical Udyan & Zoo entry fee at the ticket counter. Curated walks for children over the age of 7 are routinely arranged.

Over the years we have routinely conducted free tree-cum-heritage walks for school and college students, groups of professionals and interested citizens. Please contact us on [info@saveranibagh.org](mailto:info@saveranibagh.org) to schedule a walk.

A walk for members of the Sanctuary Nature Foundation

Students of the Sir J.J. College of Architecture take a pledge to protect the botanical garden after a walk

Students of a Mumbai Municipal School enjoying a tree walk and taking notes

Municipal school students happily posing for a group photograph under Rani Bagh's famous Krishna's Buttercup tree after a walk

A drawing and craft session after a walk with Ahura Resource Group, an organisation working children and adults with special needs
